

Vista Business Group was ranked in the Top 20 Advisors by Close Rate in 2022 by Axial, competing against 1,435 sell-side M&A advisors. Overall, Vista came in at the Number 3 spot.

The rankings were assembled based on the dealmaking activities in 2022 through Axial. The following methodology was used to generate their list:

- Bringing a minimum of 5 deals to market via the Axial platform after January 1, 2021
- Reporting a minimum of 1 closure in 2022 on the deals marketed after January 1, 2021

In 2022, Vista Business Group sold 21 businesses, ending the year with \$126 million in total transaction value. On average, listings taken to market receive over 200 buyers showing interest, demonstrating a strong demand for the businesses represented.
